SUBJECT: **Hardship Claim - M** [REDACTED] 25X1A9a

1. Per telephone conversation of this date the attached claim might properly be titled "Expense of Cover". As a pure hardship claim the regulations and present handling of similar type cases would appear to give a negative answer to reimbursement.

2. It is my opinion that addition of a favorable finding by Cover Division that failure of [REDACTED] to "keep cover" as he did, would have jeopardized the cover arrangement, would establish a proper case for approval by the DD/S under [REDACTED]
